4.	Amarillo	152.02	62,304
5.	San Antonio	151.95	52,775

1 - 10 / 20

This dashboard visualizes FLAG’s municipal outreach potential using public permitting data.

Each point represents an official or department using or related to MyGovernmentOnline (MGO).

Key insights: Counties with higher permitting activity align with top outreach priorities.  
Combining contact engagement (Conference attendees) with permit metrics enables smarter targeting for FLAG’s Civic Pulse rollout.

This dataset is a demo version for internal analysis.
